<p>Phase 2</p> <p>Partial tuition is now collected. \$55 per month (will be prorated if this phase occurs mid month).</p>	<p>Child can take a bow and makes it known to Sensei they wish to learn the violin. Child receives a grey mat to stand on- an invitation to officially study in our studio. Family will begin to attend & participate in group class weekly. Partial tuition collected.</p>	<p>Adult rents a full sized violin for themselves. Menchy Music is recommended. Parents will learn ahead, before the child begins, so they can be effective practice partners at home.</p>	<p>Child stands with strong feet (on the mat) for all Twinkle Variations. Building focus, concentration and observation skills required for study.</p>	<p>Adult makes box violin for/with child. Sensei will provide directions.</p>	<p>Sing Twinkle A (Taka Taka Stop Stop). Children hear words many times before speaking. We need to know what songs sound like before learning to play them.</p>			
<p>Phase 3</p> <p>Tuition increases to the full amount for the quarter (or remainder of quarter)</p>	<p>Adult begins 30 minute private lessons (which will eventually become the child’s lesson time). Family continues group class.</p>	<p>Child demonstrates Left-side set up & prep for violin hold without help or reminders.</p>	<p>Child Taps Twinkle A rhythm (Taka Taka Stop Stop) left hand on right knee without help/reminders.</p>	<p>Child demonstrates right-side set up & prep for bow hold without help or reminders.</p>	<p>Child to pass “violin license test” to get a real violin. Sensei measures child for real violin.</p>	<p>Adult rents/ purchases real violin for child.</p>	<p>Child begins participating in the private lesson and continues group class. Adult continues learning through the Twinkles.</p>
